To

The Firms dealing in Pumping Sets.

Enquiry No. 3946.

PUMPING SETS REQUIRED IN CONNECTION WITH THE EXTENSION OF WATER SUPPLY FOR FIG CULTIVATION AT GANJAM.

GENTLEMEN,

Please be good enough to intimate your best prices for delivery f.o.r., Seringapatam and the earliest time of delivery for two pumping units of the description given in the attached schedule.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed " Quotations for Pumping sets for fig cultivation at Ganjam " with the above enquiry Number.

This enquiry will be closed on the 30th of April 1940.

SCHEDULE.

1. (*a*) *Two*—Horizontal split casing centrifugal or turbine pumps having phosphor bronze impellers with removable neck rings, and sleeves, etc., each capable of discharging 400 imperial gallons per minute against a head of 150 ft. from all causes. The pump set should be capable of working over the range of 100 ft. head to 150 head without undue heating effects on motor and working troubles in the pump such as end thrusts, etc. The pump shaft should be made of high class nickel or chrome steel of non-rusting quality. The bearings should be of ball and roller type and fitted up with grease nozzles to admit grease being gunned while running. One end of the shaft to be fitted up with flexible coupling suitable to be coupled to an induction motor mounted on a common bed plate. The pump gland housing should be provided with the usual water seal arrangements.

1. (*b*) The following accessories should be included in the quotation :—
   (1) *Two* foot-valves with strainer (metal face type) one size bigger than the suction opening.
   (2) *Two* sluice valves (Glenfield and Kennedy).
   (3) *Two* non-return valves.
   (4) One complete set of neck rings and end sleeves, etc., as spares.
   (5) One complete set of roller and bale bearings for pumps as spares.
   (6) One set of glands as spares.
   (7) One grease gun.
   (8) Two pressure and two vacuum gauges with control cocks.
   (9) One set of set spanners.
   (10) One set of spare impelle s and spare and standbye.

2. *Two* Induction motors drip-proof quality to drive the above pump to run on 220 volt, 25-cycles, 3-phase alternating current mounted on common cast iron bed plate and coupled to the above pump with flexible coupling.
   Two oil immersed starters having over lead and no voltage relays, with suitable ammeter, volt meter and three throw switch with fuse arrangements.

3. (*a*) *One* panel board of marble type to take in all the above fittings of the two sets of motors with enough room for admitting killowatt hour meter being fixed.

   (*b*) The following accessories have to be provided for :—
   (1) One set of ball and roller bearings.
   (2) One set of finger contacts to starter.
   (3) One set of over load and no voltage coils.
   (4) One set of rubber bushes for flexible couplings.
   (5) One set of flexible couplings bolts and nuts.
   (6) One drum of transformer oil for the first charge of oil switch gear.

(7) One set of spanners.
(8) One spare stator to be quoted separately as spare outfit.

N.B.—(1) Prices should be given separately for the respective items given above and the total value of the entire equipment should also be specified.
(2) The prices to be quoted should be in the Indian Currency.
(3) The prices should be for delivery f.o.r., Seringapatam, Bangalore—Mysore Line.
(4) Quotations other than those conforming to the above conditions will not be considered.

Yours faithfully,
MIR SAFDAR HUSSAIN,
Secretary,
Stores Purchase Committee.

No. S. P. C. 29394, *dated 6th March* 1940.

NOTICE.

Enquiry No. 3928.

NOTICE NO. 28284-93, DATED 26TH FEBRUARY 1940, INVITING QUOTATIONS FOR THE SUPPLY OF LEVELLING INSTRUMENTS REQUIRED FOR THE JOG FALLS PROJECT DIVISION APPEARED ON PAGE 459, OF PART VI OF THE *Mysore Gazette,* DATED 29TH FEBRUARY 1940.

The closing date of the above enquiry is extended from 12th to 26th March 1940.

By Order,
MIR SAFDAR HUSSAIN,
Secretary,
Stores Purchase Committee.
